Fishing Information & Contact Details

Fishing is a lifestyle that connects us with nature. Join us.

Estuary & Surf Fishing

Offshore Gaming Fishing

Offshore Game Fishing does seven trips per year. Most trips are from the Gold Coast. Charter Boats normally depart about 5.30am and return at 2.30pm. Cost is usually \$120 per person with everything included. Participants can meet at the boat or car-pool at the club on the morning of departure.

Offshore Game fishing was created to offer the complete angling adventure experience. Larger fish are specifically targeted. In summer, the primary focus is the larger pelagic species such as Marlin, Sailfish, Mahi Mahi (Dolphin Fish) Tuna and Wahoo. In winter, we target the larger bottom-feeding fish such as Amberjack, Mulloway, Kingfish and Cobia. These trips are a great opportunity to catch the fish of a lifetime in the waters right here at our doorstep. As you can see from the photos the success rates are very high.

For further details, visit Reception or contact Fishing Captain Jason Fraser on 0412 433 882.

Those places are Maroon Dam, Moogerah Dam, Leslie Dam, Coolmunda Dam, Boonboomba Dam and Bjelke Peterson Dam.

We fish 12 trips per season with 6 of those being bus trips.
