

COME FISH WITH US

Joining a fishing club can bring a multitude of benefits to your life. Firstly, it's an excellent way to connect with like-minded individuals who share your passion for angling. Our club offers opportunities for socialization, fostering new friendships and a sense of belonging. Being part of our club allows you to get started fishing with minimal cost and knowledge. We also supply a lot of the equipment and our fishing captains have got decades of combined knowledge.

We offer four different Fishing Divisions, with each one having prizes and trophies and experienced anglers to assist you. The best part is we subsidise the cost for members.

Estuary & Surf Fishing

Estuary and Surf fish 16 trips a year, six of these are interclub competitions against other fishing clubs. Three of those are fished on Moreton Island using 4x4 vehicles with the other three from boats at either Jumpinpin or Broadwater areas. The remaining 10 trips are club trips fished overnight at various locations. Fishing starts at 3.00pm on Saturday afternoons, with weigh in held at Blue Fin Clubhouse carpark at 8.00 am Sunday mornings.

No fees are charged, but participants are required to provide their own bait and tackle. Juniors ages 6 years and above are encouraged to participate, but must be accompanied by an adult.

The club has two boats available for hire to members on trips.

Boat license and suitable vehicle to tow is required. The cost of hiring a boat is \$50.00.

For further enquiries please ring Damien Maudsley, Estuary and Surf Captain on 0427293790.

Freshwater Fishing

We fish at dams, weirs and waterways within a realistic distance from the Club.

Those places are Maroon Dam, Moogerah Dam, Connolly Dam, Leslie Dam, Coolmunda Dam, Boondooma Dam and Bjelke Peterson Dam.

We fish 12 trips per season with 6 of those being bus trips. Freshwater is a family friendly and fun way to fish.

Adults \$20 Kids (6-17) Free.

For further enquiries please contact David Janssen Freshwater Captain on 0400529271

Deep Sea Fishing

Are you ready for the best fishing experience of your life?

Deep Sea fishing trips are held in various locations. Participants can meet at the boat or car-pool at the club on the morning of departure. Deep Sea fishing is bottom fishing only, no float fishing. Charter Boats normally depart about 5.30am and return at 3.00pm. There are approx. 7 trips per year, weather permitting. The primary target species are quality table fish such as snapper, pearl perch, tusk fish and other reef species.

For \$145 you spend 10 hours on the open blue ocean bottom bashing with all your bait, tackle and drinks included.

For further details please visit Reception or call Deep Sea Fishing Captain Jason on 0412 433 882.

Offshore Game Fishing

Offshore Game fishing was created to offer the complete angling adventure experience. Larger fish are specifically targeted. In summer, the primary focus is the larger pelagic species such as Marlin, Sailfish, Mahi Mahi (Dolphin Fish) Tuna and Wahoo. In winter, we target the larger bottom-feeding fish such as Amberjack, Mulloway, Kingfish and Cobia. These trips are a great opportunity to catch the fish of a lifetime in the waters right here at our doorstep. As you can see from the photos on the information board the success rates are very high.

Offshore Game Fishing does seven trips per year, weather permitting. Most trips are from the Gold Coast. Charter Boats normally depart about 5.30am and return at 3.00pm. Cost is usually \$145 per person with everything included. Participants can meet at the boat or car-pool at the club on the morning of departure.

For further details, visit Reception or contact Fishing Captain Jason on 0412 433 882.
